World's Oldest Civilization gave Birth to the World's Oldest and Most Universally Cherished Art Form — The Circus!! Carson & Barnes Honors this Ancient Civilization with a Five Ring Salute to China, Starting with the Traditional Opening of a Chinese Circus. In America it's "Ladies & Gentlemen, Boys & Girls" and in China it is:

THE DANCE OF THE LIONS

During the Quin & Han Dynasties the acrobats and artists would travel from village to village on foot, their entrance into the town square being the only announcement of their arrival. A crowd would form and the artists would entertain there in the square, collecting whatever compensation that the public could afford. We recreate the pomp, resplendence, grandeur and glory of their processional entrance into the town square of this age.

The Epoch of the Emperors, with our Chinese Circus Caravan

"THE ELEGANCE OF THE ORIENT"

The Incredible is made to look easy.

As Fragile Porcelain Plates are Kept Spinning by the Lovely Ladies Balancing, Twisting & Turning.

THE ART OF PLATE SPINNING

High above the rings our ladies of the court perform the traditional circus aerial ballet and in center ring we feature the Super Dragon Troupe from the People's Republic of China with their
