"ARABIA"

A Lyrical Spectacle of Arabia ..... 1,500 people and jungle bred man killers

THE STORY

It was the day of Arabia's rising at the first signal of A Jihad (Holy War.)

Yasmini, The Jihad Goddess was the only woman who held full discretion in the city of Kufara. She uncovered a plot in Kufara concerning booms that were to be used by mutineers in the great Jihad.

Whereupon, Mirza Athelstan, Sheik of the Sahara hearing of this ordered all the tribes of Tebu and Benghazi together who came with all the Pomp and Glitter to reckon with the fanaticism of the Jihad (Holy War).

Yasmini was shrewd as Mirza and became offensive and would not speak. They therefore declared Yasmini a spy and decreed that she be devoured by wild beasts.

They calculated that she was planning the Jihad. Therefore they would make an end of her.

In their midst a great arena had been left bare and Yasmini was placed at the mercy of the beasts.

Yasmini knew no fear, for while the Cymbals crashed and the yelling of the Torture dance went on, she saw only ambition and triumph.

In the beasts arena she was like a Cobra, striking whoever stirs it, but the Jihad was doomed and Yasmini through her great ambition remained triumphant even over beasts.

puts his shoeing to a great test. Nails must be specially strong and well made to withstand the strains.

For years, therefore, the far famed Capewell nails have been selected to hold the shoes of all the horses connected with this Circus.

The verdict is that Capewell nails not only drive easiest but they hold longest and best. Also that they are very safe to use.

So horseshoers far and wide—at home and abroad—choose Capewell nails. A vast army of shoers now use them with the greatest success.. If you shoe horses be sure and get "The Capewell" brand. These nails have no equal.
