Pure, Sweet Breath —Instantly!

WHY wonder whether breath is pure and fresh? Now there's a new way to be sure it's sweet. This way is in the form of tablets known as May Breath. One tablet destroys all odors—food, smoking, drinking. Not the slightest suspicion of unpleasant breath. Get May Breath in small vest pocket tins. Slip a tablet in your mouth. Always be prepared at a moment's notice! Then your breath will not rebel.

ONE DROP— Corn Shrivels

Lift it off with the fingers

● Now removing corns is simple and easy. First, pain is deadened with a local anaesthetic. Then the offending member is removed. That's how Gets-It works on corns. In three seconds the corn is anaesthetized. In 24 hours it begins to dry up. Then you lift it off. No dangerous cutting with sharp razor blades. Corns just lift off. Millions know it as the safest way. Try this modern way of ending corns.
